

## General Reference on Portraits

March 19, 2021

We will provide more references at a later date

Portraiture, West, Shearer. London: Oxford University Press (200)

National Portrait Gallery

<https://www.npg.org.uk/>

Portrait Society of America

<https://www.portraitsociety.org/international>

## Possible Topics

### By theme

African American artists

Comparing portraits of men and women

Focus on the body (for e.g., Lucian Freud, Jenny Saville)

Group portraits

The influence of photography on portraiture

Identities/personas (for e.g. Cindy Sherman, Yasumasa Morimura)

The nature of photographic portraiture

Portraits of the Dutch Golden Age

Portraiture Awards (for e.g., Outwin Boochever Portrait Competition)

Portraiture and sculpture

Portraits by Canadian Indigenous artists

Renaissance portraits

Self-portraits

Self-portraits by Canadian Women

Symbolic/conceptual portraits (for e.g., Tracy Emin)

### By individual artist

Please note that if you wish to do a presentation on an artist of the western canon (for egg Picasso, Matisse, Goya, etc.) you are welcome to do so. We are intentionally highlighting artists outside of the western cannon and invite you to explore these artists. You may also choose to compare two artists (for e.g., Matisse and Picasso, etc.)

Benny Andrews

Bisa Butler

Frida Kahlo

Elaine de Kooning

Lucian Freud

David Hockney

Edwin Holgate (*Canadian*)

Prudence Heward (*Canadian*)

Alive Neel

Lilias Torrance Newton (*Canadian*)

Rembrandt
